

Getting Charged Up About Electric Cars in SE Minnesota

Tuesday, April 26, 2011 from 3-5pm

Cascade Meadow Center
2900 19th Street NW, Rochester, MN

Want to learn the latest about electric cars and charging infrastructure in Minnesota? Join Southeast Clean Energy Resource Team (SE CERT) for a free event on electric cars April 26th 3-5pm! We will hear from utility leaders from across the state who are leading the "charge" (pun intended!) to research how best to implement exciting changes in the automotive sector. You will have plenty of time to ask questions and take part in a discussion about electric cars and charging technology in your communities!

For more info and to RSVP: <http://bit.ly/chargerochester>

*The Clean Energy Resource Teams connect Minnesotans and their communities with resources to identify and implement energy efficiency and renewable energy projects.
